

Dear La Junta Citizens and Businesses,

Your Mayor and City Council wish you a Happy New Year! We also wish to enlist your participation in helping us shape our decisions and the future of La Junta. As a beginning to this commitment, we ask you to share your thoughts through the survey below. We will follow this survey up with additional opportunities to share your information and ideas: town hall meetings, open forums and more participatory City Council and Commission meetings. We thank you for your participation and look forward to a brighter future for La Junta with your help. Every resident may fill out a survey.
